The Book of James

True faith produces fruit. A faith without action and without life change is ultimately a dead faith. The book of James speaks to the realities of a living faith in Jesus—the kind of roll-up-your-sleeves and get-your-hands-dirty discipleship that is borne out of an authentic relationship with the risen Lord. James writes to believers who know suffering, who've faced trials, and who ultimately desire a deep relationship with God.

The Book of John

Where do you turn when the world around you grows dark? In this study, Dr. Tony Evans encourages us to turn to Christ by reminding us of the two purposes for the beloved disciple's book—that we would believe in Jesus and find life in his name. Despite what our culture may argue, there is only one hope that is truly trustworthy and that is our savior, Jesus Christ.
